

SOMMARØY™ VODKA

Sommarøy Vodka is made from 100% domestic corn, making it naturally gluten-free with a mild sweetness and a buttery mouth-feel that tastes great on its own or mixed into the cocktail of your choice. Using legacy small-batch distilling techniques, Sommarøy Vodka is twice-distilled to ensure our signature 55 proof that keeps the good going.

Sommarøy Vodka pairs beautifully with the simplicity of soda. Yet, it's also a great addition to a high-ball mixed with lemonade and garnished with basil, or in a summery Gimlet or Sea Breeze, served on the rocks or straight up.
